

**AV Shield Competitoin  
Round 2**

**RESULTS - 27 October 2007  
Open**

**A solid turn out for the middle distance runners and some decent times for those that braved the heat. Rob Schwerkolt improving on last round's time and Scott Lawrence pumping out another consistent performance. The team however lacked any field competitors and only had two sprinters having to call on some of the longer distance runners for the 4 x 100m. Round 3 is this THURSDAY evening, commencing at 5.00 pm, and the team needs a decent turnout to start putting some points on the board for both the Div 1 and Div 3 teams.**
