

Round 7 - 6/12/08 Nunawading

It's a long trek out to Nunawading and this may have affected our numbers, with only three junior athletes competing. But performances overall were very good, with many members having a go at multiple events, which should lead to some good team results. Unfortunately, AV is yet to publish the final team scores, but they should be available on the AV website tomorrow.

There were eye-catching performances from Byron Smith (400H) and Andrew Wheeler (LJ), who were both overall division 2 winners in their events. Attila Baranyay ran a very fast 100m into a stiff breeze. The multiple event men were led by Rob Belton, who competed in seven individual events, a great effort. Pete and Attila each did three events plus a relay, helping us to field two relay teams for the first time this season.

Your last chance for pre-Xmas competition is this Sat 13 Dec at Doncaster. We will be holding a BBQ (gold coin donation) at the end of the afternoon, where we will hand out the Athlete of the Week awards to date. All athletes, parents and friends are most welcome. The event program is at <http://www.athsvic.org.au/cache/NewsFile/302808-09%20Handbook%20-%20AV%20Shield%20EAST%20REGION%20P2.pdf>.

In other news, Harry Borthwick finished has 7th in the 17 years 200m at the Pacific Schools Games in Canberra, clocking 22.33 secs in the final after runs of 22.22 and 22.40 in his heat and semi.

Open

100m	A Baranyay	11.5	(-1.9)
	A Hennessy	12.2	(-1.9)
