

## Latrobe Uni, Bundoora – 1 June 2008

Another great set of results for APSU at Latrobe Uni this morning, with too many PB's to mention. Team results were brilliant:

Full team results are at <http://www.athsvic.org.au/cache/NewsFile/2494Points2008-6-1.html>.

Izzy De Castella and Mark de Luca were our star individual performers, with Izzy running a strong third in the women's race and Mark getting a bronze in the under 20 5k. Although there were no overage medals for this event, Michelle Bleakley again led the W40 division and Paul Wilson was the third fastest M40 runner. It will be a tough task to decide who has won the "white socks" award for this week. At morning tea after the race, awards of socks were made to Rob Schwerkolt (Jells Park), Annie Harrison (Warragul) and Mark de Luca (Sandown).

Next AV race is the Coliban Relay from Harcourt to Bendigo on Sat 28 June. We will be organising a minibus to transport people to and around the race. I am also looking into accommodation options at Bendigo with a view to having a team dinner on Saturday night, staying overnight then going for a training run on Sunday morning. I shall provide more details shortly.
