

The Williamson, Saturday 16 August

Scratch Race

When Mark and I got a couple of phone calls about late withdrawals from the Williamson, I felt a strange sense of deja vu. This race has for years been our Achilles heal. But with a mixture of some good results, and some luck, we came third!

The course was ridiculously heavy underfoot. But it was a lot of fun and could be described as a real cross-country course.

Pete Simm continued his great form and came 4th overall. New recruit **Richard Does** came 7th, while **Rob Schwerkolt**, who is a serious contender for the top individual award came 8th. Then there was a little bit of a gap back to **Suzy Wilson** who came 39th and **Stu Facey** 50th.

Handicap Results

Some brilliant results in the handicap race. Stu Facey came 8th, Rob Wilson came 9th and Suzy Wilson came 14th.

Annual Dinner

The annual dinner will be held at Dunyazad Restaurant. It is middle eastern cuisine. Come and join the team for the annual dinner (which is not really a dinner as it is held at 12 Midday for a 1pm start!) and reminisce about the season that was.

Date: Sunday 14th September @ 12 Midday for 1pm start

Address: 329 Doncaster Rd, Balwyn North

Cost: \$44 per head, BYO

Dress: Smart Casual

Payments: to club representative (Nick WS) before the event

Next Race – Churchill 6/12km

This is one of my favourites. It is through forest and has a nice hill in the middle. Should provide some competitive running.

What: Churchill Park

When: Saturday 30th August @ 1:30pm (for 12km start)

Where: Churchill Park, Rowville, 82 C10

Teams Race

We came third! This was a fantastic result that involved some great work from Simm, Schwerkolt and Does up the pointy end of the field and a great rear guard action from Suzy Wilson and Stu Facey after Mark Purvis unfortunately pulled out with a hamstring injury. I heard an expletive from Mark just ahead of me as he stepped of the track in pain, and my heart rate shot up. We were in a bit of strife, but with the Wesley team depleted, we steadied the ship and came 3rd, our best result at the Williamson since 2004.
