

The Brighton-By The Sea 9km Handicap, Saturday 21 Jun

Brighton Scratch Results

Brighton... ahhh Brighton. I enjoy this race thoroughly, apart from the final kilometre. I could hardly walk the next day and my new shoes were soaked. Having whinged enough, I will talk about some results now.

James Atkinson was our best runner for the day coming home in second place. **Rob Schwerkolt** wasn't far behind in sixth place. **Stu Facey**, **Sam Curry** and **Peter Dodgshun** came 32nd, 35th and 40th respectively.

Brighton Team Results

Brighton has a nominal teams race which does not contribute to the APSOC championship. The teams score is based of the handicap race rather than the teams race. Our first team consisting of **Peter Dodgshun**, **Nick Wallace-Smith**, **Gerry Voukelatos** and **James Atkinson** came 6th. The last time we won this race was 1997!

Brighton Handicap Results

Through the marvels of Excel spreadsheets, I've been able to create a formula which counts not only your net change in position in a handicap race, but how many people you passed, and how many people passed you. These statistics show that **James Atkinson** passed 67 people, and was passed by no one. Our best finisher, and Handicap specialist and one of the Mr Consistent in the team, **Peter Dodgshun**, came 19th in the handicap race, passing 42 people, but being passed by 12.

Next Race – The Lodge 8/16km Handicaps

The next race is the Lodge. It is pretty much a flat course along the banks of the Yarra, starting at the Monash freeway going out to the CUB Brewery at Abbotsford, turning around and heading back.
