

## Round 6

Somewhat disappointing numbers at Doncaster yesterday, despite perfect conditions. All the regulars were there, but having just 15 out of 50 registered members competing is not enough to get us anywhere near the finals.

Another schoolboy sprinter, Nicholas McGlade, made a solid debut, but it was 17 year old Jackson Finlay who stood out among the 100m sprinters with a sizzling 11.62 secs. Luke Woodard ran the fastest 110m hurdles by an Old Scotch athlete for some years, stopping the clock at 18.05 secs. Lachie McKenzie-McHarg is challenging Rob Belton as the multi-event man of the team, this week running in four track events.

A big thank you to Rob Catherall for acting as our official all afternoon.

Next round is at Nunawading this Saturday 28 November. This is the first time at Nunawading for the season, so here's the full address: Bill Sewart Aths Track, Cnr Burwood Highway & Newhaven Rd, Burwood (Melway Ref: 62 C9). It's program 1 including the 3000m. Full program is at <http://www.athsvic.org.au/cache/MeetFile/90852009-10%20Handbook%20-%20AV%20Shield%20East%20Region%20P1.pdf>.
