Lodge Handicap - Saturday 16th June

The cold winter conditions along the Boulevard set the scene for this year's races along a revised course due to road works near Melbourne Girls College. A small field of 18 tackled the 16k race and 87 registered runners chose the 8k event.

Scratch Results

Tamami Koike was the only Old Scotch representative in the 16k event, finishing 13th overall and 2nd W40. Robert Schwerkolt was our fastest runner in the 8k event (and 1st M40) followed by Sam McLean (10th), Chris Taylor (11th) and Mark Purvis (14th and 1st M50). We also welcomed Claire Fritze (32nd) and Sarah Lester (37th) to their first race with Old Scotch.

Handicap Results

Tamami finished 7th on handicap in the 16k event. In the 8k race, Claire Fritze finished 3rd and Sarah Lester finished 24th, but both had not run sufficient races to qualify for an award. Mark Purvis finished 27th ahead of Nigel Watson (29th) and Chris Taylor (31st).

Hare and Hounds 8k Handicap - Saturday 3rd July

The course at Berwick provided a real challenge to competitors this year. The off-road tracks were slippery and the potholes full of water. Old Scotch had 12 competitors braving the cold conditions.

Scratch Results

Peter Simm was the fastest runner in the race and was followed by Mark Purvis (8th and 1st M50), and Chris Taylor (10th).

Handicap Results

Gerry Voukelatos finished 2nd ahead of Peter Simm and Mark Purvis.

Alan Hooley Relay - Saturday 24th July

Gilwell Park again provided a challenge to the teams of runners this year. Old Scotch had 17 runners competing. We welcomed back Leigh Vial and Paul and Susanne Wilson to this great event. Each runner had to run over the course of 3.3k twice.

Teams Event

Our division 1 team of Pete Simm, Darcy Long, Rob Schwerkolt and Paul Wilson had a good tussle with Old Xavs, with very even times by each member. Old Xavs finished 1st, 1 min 16 secs ahead of OS, with OW 3rd, a further 1 min 31 secs back.

In division 2, OS2 (Mark Purvis, David Lightfoot, Leigh Vial and Chris Taylor) was the clear winner, 4 minutes 57 secs ahead of Old Wesley, with Old Xavs 4 3rd, another 5 min 49 secs later.

Our female team finished 6th, with Old Xavs dominating the women's competition.

Scratch Results

Our Div 1 team members were placed 7th, 8th, 9th, and 11th overall for the day. Rob Schwerkolt, Mark Purvis and Susanne Wilson each won their respective over age categories. Chris Taylor's time of 11 min 27 secs was 23 seconds faster than last year.
