

ROUND 9

Well, not much to enthuse about from yesterday's AV Shield at Ringwood. A woeful turn out of just nine senior athletes saw us easily beaten by OX. What made this even more disappointing was the fact that OX had just seven senior athletes! Only some excellent performances from sprinter Baranyay and juniors Di Donato and Clements brightened an otherwise fairly mediocre day.

AV Shield resumes after Xmas on 21 January at Box Hill. There are just three rounds to go, so there are still some key athletes who must compete in all of these rounds to be eligible for the final.

Wishing everyone a safe and happy Christmas.
